SCOPE 2007 May 25-27, 2007 Blue Springs Scout Reserve, Acton, Ontario, Canada

Volume 1 - Saturday Morning, May 26, 2007

Olympia/SCOPE Co-chairs Tom Miller, Spud Ramsay, Nick Zollo and Bruce Wannamaker

## Camp Chiefs Welcome Message

This year's SCOPE is very important for 3 reasons.

First of all it is the 40th Anniversary of this exchange program between Scouts Canada and Boy Scouts of America. In 1967 Canada's 100th Anniversary a few Scouters got together, talked to some other Scouters and 40 years later we are still doing basically the same thing. Scouters who went as Scouts on the first trip still have fond memories of this SCOPE- Olympia exchange. Secondly Blue Springs Scout Reserve is celebrating its 70th year and is one of the longest running Scout Camps in Canada. As you walk around the Camp you will find it hard to realize that a railroad ran through this area and that STOP 90 was a favourite picnic spot for people from the City.

The 3rd reason is that this is the 100th Anniversary of Scouting Worldwide and of the first discussions to bring Scouting to Canada. I am sure BP would be very proud of the 40 years of Friendship in Scouting between the Councils of Ontario and Pennsylvania.

This weekend will be packed full of fond memories as well, friendships will be made that will last for years. So enjoy the weekend and the SCOPE experience as it is a one-of-a-kind event for Scouting.
